International Kolping Nursing School
in Kempten

Training Objective

Qualification as a Certified Healthcare Nursing Professional

Entry Requirements

- Secondary School-leaving Certificate (or equivalent) or a High School Diploma
- or
- Secondary School-leaving Certificate (or equivalent) with proof of completed two years of vocational training
- or
- Secondary School-leaving certificate (or equivalent) with proof of one-year training as an assistant or helper in nursing
- Physical and personal fitness (Good-conduct certificate)
- German language level B1 (minimum requirement)

Course Contents

- Health care processes and medical diagnosis
- Communication and consulting
- Intra- and interprofessional action
- Professional knowledge and acting on the basis of laws, regulations and ethical guidelines
- Professional knowledge and acting on the basis of scientific knowledge and professional ethical values

The International Kolping School for Nursing also offers a continuous German language course for all students, which will be offered in parallel with the training structure.

The training takes place at the Kolping Nursing School and at a certified healthcare facility. In addition, various assignments are carried out with cooperation partners (e. g. psychiatry, pediatrics, rehabilitation).

INFORMATION

> DURATION/SCHEDULE

The training starts every year at the beginning of the new school year in September and ends after 3 years.

> LOCATION

The training takes place at the International Nursing School in Kempten, Linggstraße 4.

> SERVICE (ESPECIALLY) PROVIDED BY KOLPING

The Kolping Nursing School will help you find an apartment in and around Kempten. We also provide help with social and cultural settlement and integration during the duration of the training program.

> COSTS

The International Kolping School for Nursing in Kempten does not charge any fees. The healthcare facility you will be working at during the three-year training will pay you a salary.
